Incorporating the Cornhill Training Course Scotland

Edward Lobb

Dear Friends,

Our Cornhill Training Course has now been running for about 7 weeks and we are most encouraged so far all of our 12 students are still with us and they seem to be enjoying the course.

They are a group of highly motivated and gifted individuals and its a joyful responsibility for us to be training them.

We had an excellent launch service in late September and a visit from **Dick Lucas** to teach the students in early October was great for all the students.

Please pray:-

- For a good final few weeks of term
- For success in recruiting new students for 2007/2008 (and do send us some!)
- For our **Day Conference with Phil Jensen** - 20th Jan 2007 on *Growing Gospel Churches*
- For plans for a **Cornhill Preachers Training Conference** - June 2007

With thanks for your prayers,

Edward Lobb
