

Cornhill Scotland

Incorporating the **Cornhill Training Course Scotland**

Update: January
For your prayerful interest and support

From the Chairman...

Dear Friends,

Edward reports a good start to the new term, and we are rejoicing in having Doug Johnson with us one day a week from London helping with the teaching. Do pray for good travel for him each Thursday.

It won't be long till the students are off for mission week, 3-10 Feb. A team goes to Hilton church in Aberdeen and another to Holyrood Abbey and New Restalrig in Edinburgh. Pray that it will be valuable to all.

Please also continue to pray for:

- Applications to come in for next year -

Is there anyone you know who should be applying? Now is the time to ask!

- The **Growing Churches** day with **Phil Jensen** this coming Saturday, 20 Jan. With over 200 coming from many churches, that this would be a really significant time for all.
- Edward speaking in St Andrews on Jan 28th - for serious interest in CTCS.
- For the students as they think about what to do next year.

With thanks for your prayers,

William Philip
