Incorporating the Cornhill Training Course Scotland

Update: June 2007

For your prayerful interest and support

*From the Chairman...*

Dear Friends,

A lot has happened in the last few months. In May, we had a good trip to the USA where **Edward** spoke at Alistair Begg's

Pastors' conference, and we were able to share about the work of CTCS. We also interviewed a candidate who will be joining the course next year.

This week we have had our first **Servants of the Word** expositors conference with David Jackman and others taking part. 40 of us had a super week, with real encouragement in the word, and rich fellowship with one another.

And next week sees the graduation of our **first year of CTC Scotland** - it's hard to believe it has gone so quickly! We have so much to thank God for. We currently have 7 students booked in for next term, plus 4 interviews pending and some more who are considering the course very seriously. Do join with us in thanksgiving, and also in prayer for the future of the

ministry as we seek to develop it under God, for his glory.

**Please do pray on for**

- **Ministries** for our graduates and for next year's applicants
- **Bob** as he prepares to move to Glasgow and join us full-time in September. We give thanks that Thelma has just found an ideal teaching job near to where they will be living.
- **Doug Johnson** who has been a Godsend to us this past 2 terms, as he considers his future now heading to Kenya next year to foster bible teaching there.
- **Edward** for continuing strength as he speaks at the CTC Summer School in London, and for a well-earned summer break afterwards!

With thanks for your prayers,
