

Cornhill Scotland

Incorporating the **Cornhill Training Course Scotland**

Update: Dec 2008

For your prayerful interest and support

Dear Friends,

Term one: The group are now gelling well and the atmosphere is good with a lot of good learning and good humour.

Our profile: Edward and I have opportunities to preach and teach elsewhere and these allow us to publicise the course. I have been involved in 'Release the Word' teaching and training evenings for students and young workers. This is not only valuable in its own right but gives access to people who might consider Cornhill as part of their future.

Evening Classes: As part of what Cornhill offers to the wider church we have already run two series of Evening Classes and a third is planned for January, February 2009. These classes have concentrated on helping people to read and understand the Bible as a whole and to give a taster of what Cornhill offers. Both Series were attended by over 50 people from a variety of churches and we hope to make these a regular feature of our year.

Please pray for

- **Recruitment** that we will receive more applications and inquiries.
- **Our Students** as they think about their future service after the course is complete and for our part-time students who will be with us in 2009-10.
- **Mission Week** 7-14 February two mission teams will be going Plains Evangelical Church and Kirkmuirhill Church of Scotland. These should strengthen already existing links with both churches.
- **Teaching and administration** will be blessed by the Lord.

With thanks for your prayers,

Bob Fyall, Senior Lecturer
