

Cornhill Scotland

Incorporating the **Cornhill Training Course Scotland**

Update: September 2009

For your prayerful interest and support

From the Chairman...

William Philip

Dear Friends,

Do give thanks with us for an excellent start to our new Session today.

We begin our fourth year of CTC Scotland with our student numbers

having more than doubled, which is a great encouragement to us all, and an evidence, surely, of the good hand of our Lord upon us.

We have 25 promising students, from a wider range of churches than ever, and all raring to go! We have managed to organise suitable attachments for all, and the number of partner churches locally is also growing. We are so grateful to God, and to you for your prayer partnership with us

Please continue to pray for

- **Edward, Bob & the students** as they get to know one another and get into the term's work.

- **A Training Day** in **Edinburgh** for local churches on November 14th, that it will be valuable and build relationships with more congregations.
- **Myself & Edward** as we travel to India (Nov 15-22) to speak at the **Word Conference** for Bible teachers at the Delhi Bible Institute (organised by Namgyal, our former student).
- **God's provision** that our needs might continue to be met and we remain faithfully focussed on the priorities of real gospel ministry.

With thanks for your prayers,
