Book in a Day 22-23

Come and join our Cornhill class for the day as we spend time digging deep into a book of the Bible together. Our Book in a Day events are a great opportunity to learn key Bible handling skills, to grow in your understanding of a book of the Bible and all whilst enjoying warm fellowship with like-minded brothers and sisters. These days will be really helpful for pastors, elders, women's workers, lay preachers, Bible study leaders, youth and children's workers or anyone wanting help with reading the Bible for themselves. Our Book in a Day events are also a great taster for those considering doing the full Cornhill Training Course.

Thurs 1st December - Jonah

Andy Gemmill, Director of the Pastors' Training Course, will lead us through the well known but often poorly understood book of Jonah. Andy has thought about, and taught the book of Jonah over a long period and it will be a very stimulating and sharpening day as we think about this important Minor Prophet. We would love to have you with us.

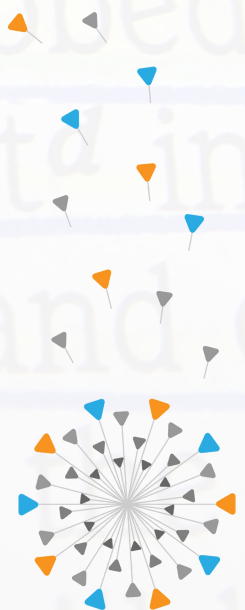

Wed 11th & Thurs 12th January - Psalms

James Hely Hutchinson is the Director of the Institut Biblique de Bruxelles (IBB), in Belgium. IBB is a wonderful college teaching the Francophone world how to minister God's Word faithfully. James has studied, taught and written extensively on the book of Psalms and this Book in Two Days event is not to be missed, we would love for you to join us.

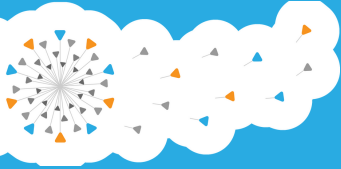

Tues 25th April - Ephesians

Stephen Boon is Associate Vicar of St. John's Tunbridge Wells, Kent and also a tutor at Cornhill London. Stephen is a terrific Bible teacher and our day in Ephesians will be stimulating, stretching and helpful in sharpening your ability to hear the message of this dynamic Pauline letter clearly. We would love you to join us.

The Expository Ministry Conference

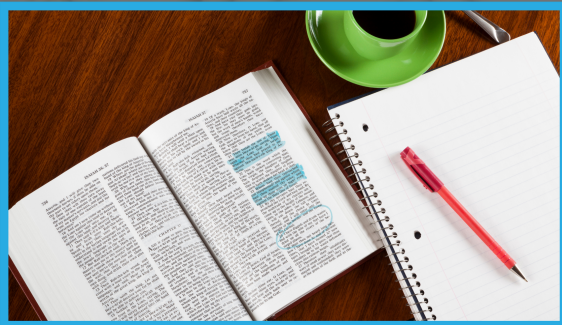

'Serving the Servants of the Word'

Tues 20th - Thurs 22nd June

The first of our expanded program of two summer conferences is principally for Pastors and others serving in full-time congregational ministry, and will be focused there, though any who would benefit from this kind of equipping conference is welcome to come. Our aim is to sharpen preaching of God's Word, think Biblically about the work of ministry, and encourage one another in our service of the Lord.

There will be plenary morning sessions each day on 'Exposition for Expositors', and 'Thinking Theologically about Ministry', while optional afternoon sessions will be available for Pastors (and trainee pastors doing PTC), as well as for CTC students who also join in the plenary sessions. Tuesday and Wednesday afternoons will conclude with two 'Practical Ministry' sessions which we hope will help in various aspects of pastoring people. On Thursday afternoon, we warmly invite everyone to join us for our Cornhill Valedictory Service.

Cornhill Summer School

'Shaping Servants of the Word'

Mon 26th - Wed 28th June

This is a new initiative offering three days of intensive Bible training which is aimed at helping to equip those involved in teaching the Bible in various contexts: whether as an occasional preacher, Bible study leader, children's or youth worker, a keen church member thinking about possible ministry in the future, or someone who would love to do The Cornhill Training Course but circumstances prevent them from doing so – We would love to serve you at our Cornhill Summer School!

The day runs 09:15-16:30 and there will be a lecture series on a NT book, an OT book, How to write a Bible talk, as well as workshops and model expositions. We trust it will be an enriching time of learning, equipping and fellowship. We would love to have you with us.
